APPLICANTS INTERVIEW SUMMARY

Dear Sir:

Applicant's summary of the Examiner interview of August 17, 2005, in the above cited matter is provided below.

Discussion focused principally on independent claim 1.

Prior art discussed included U.S. patent 4,835,707 to Amano, et al.

Applicant requested a particularized overview of the cited art with respect to all the limitations of the independent claim. Examiner Soderquist discussed limitations he believes may be found in Amano. The Examiners rejection of the claim was apparently based on the Figures 1 and 2. Applicants agreed to consider the cited disclosure.
